

Shaped by the hand, for the hand

...Rexel's new personal and office stapler range. With new exciting sculpted lines and tactile soft-feel materials, they work to make stapling smooth and effortless.

SHAPED BY HAND.

REXEL

feels even smoother, works even harder

Ease of use is not the only benefit of the new Rexel personal and office range. We've also taken every opportunity to make the stapler a handier device all round. New features include a staple remover, a staple storage compartment and a nameplate. Plus, there's a new range of modern colours, many of them metallic.

Gazelle premium stapler

● ● ● ● ● ● ● 7 years guarantee

With plenty of style, the Gazelle is sculpted to perfectly fit the hand. Integral metal strengthening provides durability, while a soft-feel non-slip rubber base pad and nameplate, both help keep it on your desk. The unique enhanced mechanism, together with a staple remover, provides superior performance.

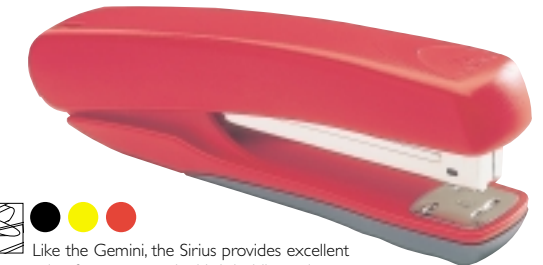

Gemini

● ● ●

Complete with staple remover, this quality plastic stapler now has a soft-feel rubber base pad as well as an auto load mechanism, providing excellent value for money.

Sirius

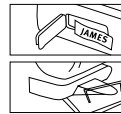

● ● ●

Like the Gemini, the Sirius provides excellent value for money and with it holding twice as many staples, it's ideal for frequent users.

Taurus premium stapler

● ● ● ● ● ● ● 7 years guarantee

The robust looking Taurus is a pleasure to use and is designed for frequent users as it holds twice as many staples as the Gazelle. With all the features of the Gazelle it adds a touch of style to the modern working environment.

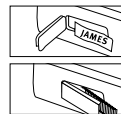

Meteor metal stapler

● ● ●

The Meteor is a neat but tough all-metal stapler with a soft-feel rubber base, providing the ideal solution for budget stapling.

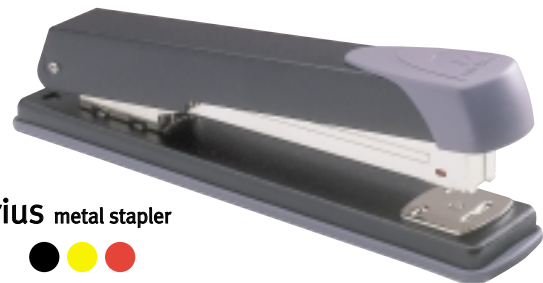

Matador premium metal stapler

● ● ● ● ● ● ● 10 years guarantee

Already the market leader, the Matador is now even more stylish. New features include a nameplate and useful staple storage compartment. Its all-metal construction will give years of trouble free stapling.

Aquarius metal stapler

● ● ●

Like the Meteor, the Aquarius is tough and strong, holding twice the capacity of staples. Making it ideal for regular use.

The new range accepts the following staple types.

No.56	No.16
26/6	24/6
	22/6
