contemporary colours

The Ulyssey stapler comes in metallic red, blue or black, giving you plenty of choice to brighten up your desktop.

Staples up to 30 sheets

The Ulyssey is the desktop stapler which goes that little bit further. It will staple up to 30 sheets* using 26/6 or 24/6 staples.
*80gsm paper

Durable

Robust die-cast metal construction and 12 year guarantee, for reliable performance day after day.

Paper Depth guide

The Ulyssey has a unique paper depth guide to enable uniform stapling.

Effortless

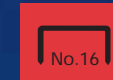

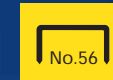

The Ulyssey's leverage design reduces the stapling force required by 30% compared to competitors staplers. Plus, its curved shape improves comfort, grip and power.

Affordable

The Ulyssey is a premium stylish metal stapler which will meet all your desktop stapling needs at an affordable price.

Staple compatibility

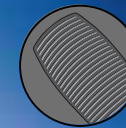

The Ulyssey takes standard Rexel 26/6 (No.56) and Rexel 24/6 (No.16) staples.

Compact

Compact and uniquely styled, the Ulyssey is the ultimate desktop stapler.

non-slip base

The Ulyssey is equipped with a full length non-slip rubber base, to ensure good traction when stapling.

Top of the Range

The Ulyssey stapler is the premium choice in the Rexel 56 Range of stapling machines.

Product code	Item	Qty	Length	Width	Depth	Weight
